

Special Meeting- July 18, 2018

A special meeting was called by West Wyoming Borough Council. Roll call was taken by Secretary Pedley and the following were present: Chairman Stavish, Councilman Colarusso, Councilman Grescavage, Councilman Dolan, and Secretary Pedley. The following were absent: Councilwoman Zaboski, Mayor Herbert, Solicitor Lukesh, Engineer Amato, and Treasurer Kendzor.

Chairman Stavish stated that the purpose for this special meeting is to pass the 'No Parking on W. Sperling St. Ordinance'. Motion was made on June 11, placed on table for 30 days on June 11th and advertised in paper on July 11th. Chairman Stavish asked for a motion made by Councilman Colarusso and seconded by Councilman Grescavage to pass Ordinance # 2 of 2018 regulating No Parking on West Sperling Street. Voice vote all in favor. Motion carried.

Councilman Grescavage asked if parking will be allowed in the event of parties, weddings, holidays, deliveries and so on. Chairman Stavish replied as long as there is not an issue. There are alternative places to park. If we come there and there are 2 cars in the driveway and 1 car in the beginning and 1 car at the end of the driveway and 1 car parked in front of the house, then there's no forgiveness. As long as there is no issue concerning whether the ambulance can get through and if no one complains, parking will be allowed for special circumstances. No dumpsters will be allowed on road.

Councilman Grescavage said that he and Code Enforcement officer, Ken Shefler, went over the permit requirements. Councilman Stavish said that it will be discussed at the next work session.

Chairman Stavish asked for a motion to adjourn, which was made by Dan Grescavage and seconded by Randy Colarusso. Voice vote all in favor. Motion carried.
