Resolutions

The Association named on this resolution resolves that,

1. The Financial Institution is designated as a depository for the funds of the Association and to provide other financial accommodations indicated in this resolution.
2. This resolution shall continue to have effect until express written notice of its rescission or modification has been received and recorded by the Financial Institution. Any and all prior resolutions adopted by the Association and certified to the Financial Institution as governing the operation of this corporation's account(s), are in full force and effect. Until the Financial Institution receives and acknowledges an express written notice of its revocation, modification or replacement. Any revocation, modification or replacement of a resolution must be accompanied by documentation, satisfactory to the Financial Institution, establishing the authority for the changes.
3. The signature of an Agent on this resolution is conclusive evidence of their authority to act on behalf of the Association. Any Agent, so long as they act in a representative capacity as an Agent of the Association, is authorized to make any and all other contracts, agreements, stipulations and orders which they may deem advisable for the effective exercise of the powers indicated on page one, from time to time with the Financial Institution, subject to any restrictions on this resolution or otherwise agreed to in writing.
4. All transactions, if any, with respect to any deposits, withdrawals, rediscounts and borrowings by or on behalf of the Association with the Financial Institution prior to the adoption of this resolution are hereby ratified, approved and confirmed.
5. The Association agrees to the terms and conditions of any account agreement, properly opened by any Agent of the Association. The Association authorizes the Financial Institution, at any time, to charge the Association for all checks, drafts, or other orders, for the payment of money, that are drawn on the Financial Institution, so long as they contain the required number of signatures for this purpose.

The term "alternative signature and verification codes" includes, but is not limited to, facsimile signatures on file with the Financial Institution, personal identification numbers (PIN), and digital signatures. If a facsimile specimen has been provided on this resolution, (or that are filed separately by the Association with the Financial Institution from time to time) the Financial Institution is authorized to treat the facsimile signature as the signature of the Agent(s) regardless of by whom or by what means the facsimile signature may have been affixed so long as it resembles the facsimile signature specimen on file. The Association authorizes each Agent to have custody of the Association's private key used to create a digital signature and to request issuance of a certificate listing the corresponding public key. The Financial Institution shall have no responsibility or liability for unauthorized use of alternative signature and verification codes unless otherwise agreed in writing.

(Chapter 56; Decedents, Estates and Fiduciaries Code) unless the agency was created by a separate power of attorney.
